A LIFE SAVED.
 Dr. J. F. Cook, the Botanical Specialist, Succeeds Where Other Fail.
 To whom it may concern:
 This is to certify that Bertha F. Conner, of Mt. Angel, Oregon, has suffered from a cancerous growth in the left ear for about three years. The growth was cut out twice and burned out once by Albany Physicians. But the growth came back in a cancerous form and it was so bad that she had to be taken from school. After three weeks' treatment by Dr. J. F. Cook, of Salem, Oregon, the Botanical Specialist, the growth entirely disappeared, and at this date, four months since treatment was begun, the growth has not reappeared, and the ear has entirely healed, leaving only the scars indicated by the Albany doctors.
 I hereby certify that the above statement is absolutely true, and that Bertha F. Conner, the person mentioned in the affidavit, has resided in my family since early childhood, bearing the relationship to me of niece.
